

Who Do You Think Your Are

Who do you think you are? (says the Lord)

Who do you think I am?

Trust Me and don't complain;

I will provide.

Trust Me and don't complain;

I am the LORD.

Who do you think I am? (says the Lord)

Who do you think you are?

Trust Me and don't complain;

I will provide.

Trust Me and don't complain;

You are My child.
