

In God's Presence

Lord, we enter Your presence with boldness and song,
Saved by Your grace in Christ Jesus, Your Son,
By the new and living way.
By His body and blood, by His death on the cross.
So we enter Your presence with praise.

In Your presence we serve You, accepted in Christ,
Cleansed by Your Word and with hearts purified,
By the Spirit's power renewed.
You forgave all our sins, that from now on we live
In Your presence, forever for You.

In Your presence, our Father, we pray in the Name:
Jesus, the Name far above every name,
In Your perfect, holy will,
With our souls lifted up to the throne of Your love,
In Your presence, expectant and still.

We are here, in Your presence, we, fearless, draw near.
Wonder and awe fill our hearts: all we hear
Is the interceding voice
Of our High Priest and King; it's in Christ we can sing:
In Your presence is fulness of joy!
