

There's unspeakable joy, full of glory, in my heart:  
How immeasurable is the greatness of Your love!  
How unfathomable are the riches of Your grace!  
Incomparable Lord, You are worthy of all praise!

*I want to thank You, Lord,  
Praise You, Lord,  
Serve You, Lord,  
Love You, Lord.*

What unsearchable riches of Christ I do possess!  
With innumerable heav'nly blessings I've been blessed.  
Incorruptible life: irrevocable Your oath,  
The unshakeable Kingdom of God: a living hope.

Inconceivable is how You suffered on the cross,  
But unconquerable is the power of Your blood!  
Unimaginable: Christ is risen from the dead!  
How incalculable is the crown upon Your head!

Unapproachable, high and majestic is Your name.  
Indescribable, Lord, is the beauty of Your face.  
Unsurpassable, Lord, is the brightness of Your eyes.  
The invisible God, now revealed in Jesus Christ.
